

Hotel Annapurna View Sarangkot

Overview

Hidden on a beautiful ridge overlooking the Annapurna mountain range, Hotel Annapurna View offers a breathtaking 360-degree panoramic view of the Himalayas. Located at an altitude of 1600 meters, the hotel is well known for its stunning sunrise and sunset views, where the snowy peaks change colors beautifully. It is a perfect destination for guests looking for peace, relaxation, and natural beauty, along with easy access to nearby villages and landscapes.

Location: Sarangkot, Pokhara
